APPLICATIONS

TOTAL NEPTUNA SPEEDER 10W-30 is a **synthetic** lubricant developed for new **4 strokes outboard emission-free gasoline engines** running at high engine speed.

It is particularly recommended for **marine outboard applications**.

PERFORMANCES AND CUSTOMER BENEFITS

Its **FUEL ECONOMY** technology helps save fuel, compared to an SAE 40 grade reference lubricant. TOTAL NEPTUNA SPEEDER 10W-30 is especially developed to withstand **high temperatures** of modern engines. It exhibits **excellent shear resistance**, ensuring very high oil film resistance under all conditions.

Outstanding **detergent and dispersant properties** keep the engine clean and guarantee sustained engine performance.

The association of **anti-wear and antioxidant** ensure extended engine lifespan.

Its **anti-rust and anti-corrosion properties** protect the engine from moisture damages.

Gasoline engine oil

PHYSICAL AND CHEMICAL CHARACTERISTICS*

TEST	UNIT	TEST METHOD	VALUE
Density at 15 °C	kg/m ³	ASTM D1298	869
Kinematic Viscosity at 40 °C	mm ² /s	ASTM D445	80.8
Kinematic Viscosity at 100 °C	mm ² /s	ASTM D445	12
Viscosity Index	-	ASTM D2270	143

* The features mentioned above are average values obtained with some variability in production and do not constitute a specification.

RECOMMENDATIONS FOR USE

Before using the product, it is important to check the service manual of the vehicle: the drain is carried out according to the manufacturer's requirements.

The product should not be stored at a temperature above 60 °C.

Exposure to strong sunlight, extreme cold or high temperature variations must be avoided. All packages should be protected from bad weather conditions.

The drums should be stored horizontally to avoid a possible contamination by water and the damage of the product label.

HEALTH, SAFETY AND THE ENVIRONMENT

Based on available information, this product does not cause adverse health effects when used in the intended application and the recommendations provided in the Safety Data Sheet (MSDS) are followed.

It is accessible on request from your local dealer or on the website <http://sdstotalms.total.com>.

This product should not be used for applications other than those for which it is intended. If disposing of used product, take care to protect the environment and comply with local regulations.
